Working For Osborne Motor Bodies

Are you looking for a challenge in a competitive, diverse working environment?

Osborne Motor Bodies are a leading manufacturer of specialized vehicle bodies built to our customer's specifications. We work closely with our customers from order to delivery. A fully effective and efficient quality management system has been the priority of our operation since 1983. You will be part of a friendly team of technical and production personnel ready to advise and answer any queries with the minimum of fuss.

We are committed to the ongoing development of our staff so they can perform their roles more effectively and with confidence.

We have an established apprenticeship scheme, and provide a range of in-house training as well as opportunities to attend external training courses.

Our recruitment and selection process is designed to select the most suitable candidate based on a fair assessment of skills, knowledge and abilities relevant to the requirements of the position ensuring all legislative requirements are met.

Positions Available

Last Updated: 16th June 2010

Spray Painter (Truck Bodies)

Responsibilities

Applicants should have experience with truck bodies, boxes etc., colour matching/coding and paint tinting systems. Must be able to produce quality workmanship, whilst keeping to tight deadlines.

Call 08 9377 2400 and ask for the Production Manager
